Land East of Bury Road Alpheton Suffolk. In a detailed and lengthy discussion, the Council reviewed the resubmitted application, together with the updated material submitted by a member of the public.
The Council noted that their earlier objections have not been overcome and will request that these are taken into consideration in the decision for the current application. Councillors therefore resolved to object to this resubmission on the grounds of highways issues (traffic safety), local plan policies (inappropriate development in open countryside) and nature conservation.
